" 45 Pine Bluffs	.33	"	"	"	"

In connection with the above it is requested that you discontinue the practice of issuing tax exemption certificates on all purchases. You may advise the contractor that such a certificate will be forwarded with our remittance.

We also wish to remind you that the installation of the Co-ordinating System has simplified the matter of paper work greatly for personnel inasmuch as it is now necessary to forward signed slip only. We will, however, expect these slips to be forwarded promptly after receipt of supplies.

Handwritten notes on the left margin:
 This is from the...
 and gasoline...
 you should specify...
 that the order...

Handwritten initials or mark at the bottom center.
